

Participate at Aero India 2013 with **VAYU'S** Special Issue & Three Show Dailies

The Vayu Aerospace & Defence Review, India's highly respected and most experienced Journal (since 1974) will be publishing its special issue (January-February 2013) in conjunction with Aero India 2013 at Yelahanka (Bangalore), the largest in Asian Continent, with a substantial increase in participation over the previous show.

We shall also be publishing Aero India Show Dailies on the 6th, 7th and 8th February 2013 for wide distribution at the exposition as also to all concerned officials in India and its vast readership worldwide.
